## COME INTO YOUR CALLING

Photo from an earlier School  
Mission trip to West Africa

We will see sons and daughters  
come into a solid relationship with  
the Father, filled with the Spirit  
through the blood of Jesus.

On this basis we want to see  
people be set FREE, being  
GENUINE, SECURE AND BOLD  
WARRIORS in the spiritual war  
that rages in the world today.
